OBJECTIVE

Hi,I am Fawaz, a BSc Computer Science graduate with a specialization in front-end development. My academic background is complemented by practical experience gained through an internship.I have successfully executed two projects: a professional personal portfolio and an e-commerce website. These projects showcase my proficiency in crafting functional and user-friendly front-end interfaces, reflecting my dedication to excellence in web development.

PROJECT

PORTFOLIO

- Designed and developed a visually appealing portfolio using HTML, CSS, JavaScript, and Bootstrap to showcase my skills and projects.
- Implemented responsive design for seamless user experience across devices.
- The portfolio serves as a tangible representation of my technical abilities, creativity, and commitment to delivering high-quality web solutions.
